Richmond, Virginia 23218-2120*

APPLICATION FOR A DIVISION SUPERINTENDENT LICENSE

Thank you for your interest in obtaining a Virginia Division Superintendent License. Please follow the application instructions and return all completed information in a **single packet**. If you are employed in a Virginia educational agency, please submit your completed application packet directly to the appropriate individual in your school division or nonpublic school.

If an incomplete packet is submitted or a license cannot be issued, your application will be retained for only one year. After that time, a new application packet must be submitted. An updated application is required for a license to be issued.

Please reference the [Licensure Regulations for School Personnel](#) on the Virginia Department of Education's website for all requirements for all requirements for a division superintendent license.

IMPORTANT NOTICE

The submission of an application for a Virginia license or request for license renewal may result in the denial of a license for any reason listed in the *Licensure Regulations for School Personnel*, 8 VAC20-22-720. The denial of a license is an adverse licensure action that is reported to division superintendents in Virginia and to chief state school officers of the other states and territories of the United States and could affect the status of any license or certificate that the applicant holds in another state and/or the status of any application for a license or certificate that the applicant has submitted or may submit in another state. An individual will not be denied a license without being given the opportunity for a hearing as specified in the licensure regulations 8 VAC20-22-740c.

INSTRUCTIONS

Please follow the instructions to assemble your application packet. Submit the application, including the forms and documents requested, in **a single packet** to the Virginia Department of Education, Division of Teacher Education and Licensure, P. O. Box 2120, Richmond, Virginia 23218-2120.

Step 1: Application Form

Please respond to all questions on the application form. SIGN AND DATE BOTH PAGES OF THE APPLICATION. **The applicant is responsible for notifying the Division of Teacher Education and Licensure in writing of mailing address changes.**

NOTICE: In accordance with § 63.2-1937 of the *Code of Virginia*, the Virginia Department of Education requires applicants for teacher licensure in Virginia to provide their social security numbers. Additionally, Virginia uses applicants' social security numbers to check the clearinghouse maintained by the National Association of State Directors of Teacher Education and Certification (NASDTEC) for license revocation, cancellation, suspension, denial, and reinstatement in other states. Virginia also reports information to the clearinghouse as needed. The Virginia Department of Education will not release your social security number except to the NASDTEC clearinghouse to

report cases of license revocation, cancellation, suspension, denial, and reinstatement as noted above. Please note that if you do not provide your social security number, your application will not be processed and no Virginia teaching license will be issued.

NOTICE: The name and address of a person applying for or possessing a license may be disseminated pursuant to a request under Section 2.2-3802(5) of the *Code of Virginia*.

If you responded affirmatively to any of the questions in **Part II** of the application, a letter of explanation and requested documentation must be submitted.

Step 2: Nonrefundable Application Fee

The in-state fee is \$100, and the out-of-state fee is \$150. Attach a certified check, cashier's check, money order, or personal check made payable to the *Treasurer of Virginia*. Note: The fee is determined by the address on your application. A \$50 processing fee is assessed for a check returned for any reason. Returned checks are subject to collection action.

Step 3: Report on Experience

This form must be completed by the appropriate official(s) at a public school division or accredited nonpublic school to verify at least five years of full-time experience in a public and/or accredited nonpublic school, two years of which must be teaching experience at the kindergarten through grade 12 level and two years of which must be in administration/supervision.

Step 4: Official Student Transcripts

Include official transcripts from all colleges and universities attended. Contact the registrar's office of each college or university where you have earned a degree or completed coursework. **Request official student transcripts to be sent to you, and submit the transcripts with your application packet.** Official student transcripts (bearing the registrar's signature and embossed seal) that have been issued to students **are** acceptable. {Do not have transcripts sent separately to this office.}

Some institutions contract with other companies to issue official transcripts. The transcripts may be accepted if received in sealed envelopes. Placement records sent from colleges, electronic transcripts, grade reports, PDFs, photocopies, and student printouts of transcripts will not be accepted or returned. Please do not have transcripts sent directly from the institution to this office.

Step 5: Out-of-state License(s)

Include a **photocopy** of each of your current out-of-state division/district superintendent license(s), if applicable.

Step 6: Certification of Child Abuse and Neglect Recognition and Intervention Training

Include a copy of the certificate verifying completion of this statutory requirement. Individuals seeking initial licensure must complete study in child abuse and neglect recognition and intervention in accordance with curriculum guidelines approved by the Virginia Board of Education. A [training module](#) is available at no cost.

- Individuals must select the "Required Training/Courses" tab under the heading "Child Protective Services."
- Then select the "Child Abuse and Neglect: Recognizing, Reporting, & Responding (for educators)."

To print the certificate after completing the training, the computer must be connected to a printer.

Step 7: Emergency First Aid, CPR including hands-on practice, and AED Training or Certification

Include documentation verifying this statutory requirement has been met. Every person seeking initial licensure or renewal of a license shall provide evidence of completion of certification or training in emergency first aid, cardiopulmonary resuscitation, and the use of automated external defibrillators. The certification or training program shall (i) be based on the current national evidence-based emergency cardiovascular care guidelines for cardiopulmonary resuscitation and the use of an automated external defibrillator, such as a program developed by the American Heart Association or the American Red Cross, and (ii) include hands-on practice of the skills necessary to perform cardiopulmonary resuscitation. The Board shall provide a waiver for this requirement for any person with a disability whose disability prohibits such person from completing the certification or training.

The following must be included on the “[Request for a Waiver Form](#)” submitted to the licensure office by an individual:

- Individual’s full name.
- Title or description of training or certification completed that clearly indicates that all three components were included: 1) emergency first aid, 2) CPR including hands-on practice, and 3) use of AEDs. Documentation must clearly indicate that hands-on CPR practice was included in the training. If your documentation does not clearly indicate that hands-on practice was included you will need to attach additional documentation such as a letter from the instructor.
- Date the training or certification was completed.
- Signature and title of the individual providing the training or certification or a printed certificate from the organization or group that provided the training or certification. Legible copies of wallet-sized certification cards or other sized certifications, containing the above information, from organizations providing current national evidence-based emergency cardiovascular care for cardiopulmonary resuscitation and the use of an automated external defibrillator, such as a program developed by the American Heart Association or the American Red Cross will be accepted.

Step 8: Dyslexia Awareness Training

Include a copy of the certificate verifying completion of this statutory requirement. Individuals seeking initial licensure shall complete awareness training on the indicators of dyslexia, as that term is defined by the Board pursuant to regulations, and the evidence-based interventions and accommodations for dyslexia. A [dyslexia module](#) is available at no cost.

To print the certificate after completing the training, the computer must be connected to a printer.

Step 9: Technology Standards for School Personnel Verification

Every person seeking an initial license or requesting renewal of a license must demonstrate proficiency in the use of educational technology for instruction. If you are currently employed by a Virginia school division or accredited nonpublic school, the designated official must verify your completion of this requirement. If you are not currently employed by a Virginia public school division or accredited nonpublic school, any of the following may be submitted to the Department of Education to verify the demonstrated proficiency in the use of educational technology:

1. a letter from an appropriate employing division (district) or accredited nonpublic school official or an education agency where recently employed verifying the demonstrated proficiency;
2. a letter from an accredited college or university official verifying the demonstrated proficiency in the use of educational technology;
3. documentation of professional development that addresses Virginia’s technology standards;
4. verification of the completion of a Virginia approved education preparation program or university/college since 1998; or

5. documentation of a course in educational technology from a regionally accredited college or university. The technology standards are accessible on the Licensure website. Please refer to the [Technology Standards for School Personnel](#).
