

TeacherDirect

A Web Page Just for Virginia Teachers

TeacherDirect is the Virginia Department of Education's Web site and weekly e-mail service that provides links to resources for all SOL subject areas.

SOL News

contains weekly updated items of interest to teachers, such as new instructional resources, upcoming professional development activities, grant and scholarship opportunities.

SOL Events

contains a professional development calendar of conferences, webinars, and institutes available to teachers and instructional leaders.

SOL Library

contains videos and narrated PowerPoint presentations on how the Standards of Learning are created and assessed, as well as links to DOE resources available to support them.
