

Charter School Annual Evaluation Report  
2001-2002 School Year

Section 22.1-212.15 of HB 734 and SB 625 requires local school boards to submit annual evaluations of public charter schools to the Board of Education. School divisions that receive federal funds through the Public Charter Schools Startup Program are also required to submit annual reports. **This report should be completed and returned by September 16, 2002 only if there are charter schools in the school division.** Submit the original and one copy to: Virginia Department of Education, Office of Compensatory Programs, P.O. Box 2120, Richmond, Virginia, 23218. A separate evaluation report must be submitted for each charter school in the school division.
