

Enacting a Special Provision in the Regulations Establishing Standards for Accrediting Public Schools in Virginia (8 VAC 20-131-280E) Related to Use of Test Scores in Calculating Accreditation Ratings Effective with the 2015-2016 School Year

Resolution Number 2015-20

June 25, 2015

The Board of Education approves the proposal to use a four-year average in addition to the three-year average and the current year average in those areas in which SOL tests have been eliminated: English, science and history/social science for elementary schools and history/social science for middle schools effective with the accreditation ratings for the 2015-2016 school year and continuing until such time as new accreditation ratings are effective.
