SUBJECT: ARP Act EANS II Values of Services to Non-Public Schools

[Superintendent's Memo #306-21](#) announced the application process for the Emergency Assistance for Non-Public Schools (EANS) II program authorized under the American Rescue Plan (ARP) Act. Value of services amounts have been determined for all eligible schools that applied to participate in the program (Attachment A).

For the EANS II program, all goods and services must be procured by the Virginia Department of Education (VDOE). In the coming weeks, VDOE staff will contact each participating non-public school to finalize budget priorities and initiate the state procurement process.

Questions about the EANS II program should be directed to EANS@doe.virginia.gov.
