VQB5 QUALITY PROFILES – FALL PREVIEW

September 2024

VIRGINIA DEPARTMENT OF EDUCATION

VQB5 QUALITY PROFILES

To ensure all children are ready for Kindergarten, Virginia has developed the Unified Virginia Quality Birth to Five System (VQB5).

- VQB5 Quality Profiles, which include the site quality rating, will be posted online starting in the fall of 2024.
- All publicly-funded sites, and non-publicly-funded sites who opt-in to VQB5 will have an online VQB5 Quality Profile.
- Families will have access to information about quality options, as required by state law.

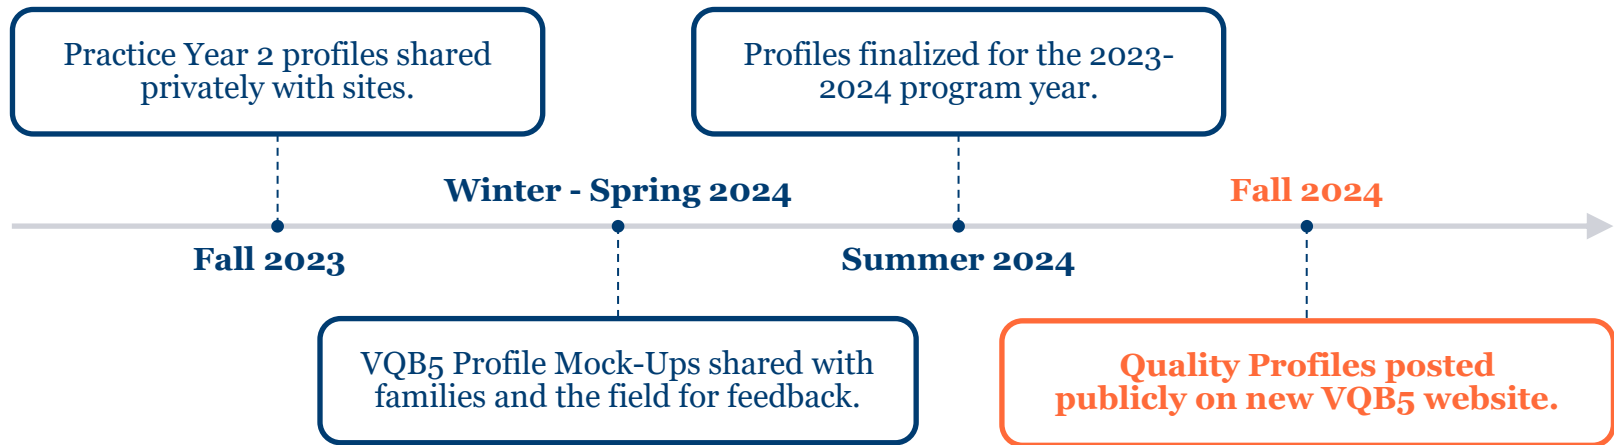

VIRGINIA'S EARLY CHILDHOOD SYSTEM MUST ENSURE THAT ALL CHILDREN HAVE QUALITY TEACHING AND LEARNING EXPERIENCES THAT MEET THEIR UNIQUE NEEDS.

VQB5 QUALITY PROFILE DEVELOPMENT

For more than a year, VDOE has been leading an interactive process to engage the field in the development of VQB5 quality profiles.

- Sites were able to preview their quality profiles during July data verification.

VQB5 ONLINE QUALITY PROFILE PORTAL

VQB5 Quality Profiles will provide families with clear and comparable quality and learning information about all publicly-funded sites.

The screenshot shows the homepage of the VQB5 Online Quality Profile Portal. At the top, there is a navigation bar with the Virginia Department of Education logo and links for 'About VQB5', 'Search VQB5 Sites', 'Download Data', and 'FAQ'. Below the navigation bar is a large banner with the heading 'Find an early childhood program' and a search box. The search box contains the text 'Search by city, county, zip code or program name'. Below the banner are three quicklink CTAs: 'Learn more about VQB5's', 'Find Childcare in VA Resources', and 'Connect with Your Ready Region'. Each CTA has a 'Read More' button. At the bottom, there are three columns of text providing information about VQB5, childcare providers, and regional agencies.
