## Mastery Indicators:

**Reflect how students are meeting academic and English language proficiency standards.**

Factors that make up performance scores include Standards of Learning (SOL) assessments and Virginia Alternative Assessment Program (VAAP) tests in Reading, Mathematics, and Science. English Learner (EL) progress is measured by annual growth on the WIDA ACCESS assessment, which tracks proficiency in listening, speaking, reading, and writing.

## Growth Indicators:

Reflect how students are progressing academically over time.

Growth is measured by comparing expected learning to actual learning at the end of the year based on past SOL and VAAP performance.
