For more resources, visit [the Virginia LEARNS webpage](#).

DATA DASHBOARD

Feedback from hundreds of stakeholders has been compiled to guide the work of recovering from the impact of the COVID-19 pandemic.

EQUITY

Aligned with the EdEquityVA work, these links provide guiding questions and action steps to ensure equitable access for ALL students.

CHECKPOINTS

Key questions and considerations are provided in essential areas to guide planning and recovery.

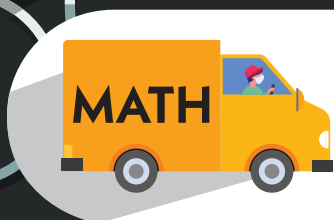

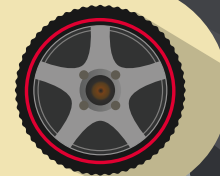

EARLY CHILDHOOD

Key considerations and resources to facilitate the transition from preschool to kindergarten.

LANGUAGE ARTS ESSENTIALS

These resources are helpful for planning purposes as educators explore how best to identify key concepts and make decisions for instruction, remediation, and intervention.

BRIDGING MATHEMATICS

Bridging Standards documents allow for the identification of content that can be connected when planning instruction and to promote deeper student understanding.

TECHNOLOGY NAVIGATION SYSTEM CHECK

Technology is a foundation to our school division's programs. Careful planning is essential to ensure resources are allocated to keep the necessary tools operational for today and the future.
