## Mixed Up Math Blocks

Mr. Walker opened a box and noticed that someone had mixed up the math blocks in his kindergarten classroom. He needs your help organizing them.

How could you sort the mixed up math blocks so they will be easier for his students to use? Cut out the math blocks and sort them into groups so each group has math blocks that are alike or similar in some way.

Show your work and explain your thinking.

# Mixed Up Math Blocks

A 	B 	C 
D 	E 	F 
G 	H 	I 
J 	K 	L 
M 	N 	O
